ESCAPE

Family Resource Center

PRESENTS

CHILD ABUSE 101

WORKSHOP

For Child Care Workers, Camp Counselors, Teachers,
Social Services and Faith Based Personnel

3210 Eastside
Houston, TX 77098

FOUNDED BY
THE NATIONAL
EXCHANGE CLUBS

The leading cause of death among children under 4 in America is child abuse.

The job of a Child Care Provider, Camp Counselor, Teacher, Social Service Worker or Faith Based Personnel is so much more than babysitting, socializing and playing. Along with the “fun” comes serious responsibility - the responsibility of listening, respecting, mentoring and protecting. If a child displays signs of abuse at home, will you recognize them? Will you know to whom to report or what to do?

We at ESCAPE Family Resource Center want to help train those who work closely with children to recognize the signs of maltreatment and abuse, and advise what to do if these signs exist. Our professional staff consists of Masters level Educators who have undergone intensive training to be the best in the field for this kind of education.

Call 713-942-9500 for scheduled workshop times. Programs can also be tailored to fit into your existing staff training schedule.

WHAT EVERYONE WHO WORKS WITH CHILDREN NEEDS TO KNOW ABOUT
